This e-mail is being sent to you for distribution to your organization's members. If you need further assistance please contact your local Taxpayer Education and Communication (TEC) office, which can be found at [Taxpayer Education and Communication](#).

Dear Partner,

We are pleased to be able to provide you with the latest IRS information to be included in your newsletter, publications and/or web site. The attached TEC "Headliner Package" includes information regarding the **new toll free number for Form 706 (U.S. Estate Tax Return)**. This is important to your membership because it allows taxpayers and practitioners to receive assistance related to closing letters and the status of an amended return. The number is not designed to answer general tax law questions relating to estate or gift requirements.

The package includes a **drop-in article**. The drop-in article is convenient for your newsletter or other publications. If possible, we would appreciate a link or copies of articles pertaining to these topics from your organization.

Thanks again for partnering with us to educate your small business members in order to make it easier to fulfill their tax obligations. We hope that this education makes them better business people and their businesses more successful.

For further information please contact me. Thank you.
